This report consists of the papers from ERIA's research project on 'Innovation, Technology Transfers, Finance, and Internationalization of SMEs' Trade and Investment: Policy Best Practices for ASEAN and East Asia' in Fiscal Year 2013–14. It aims to document policy best practices in the area of technology development and transfers, access to finance which are critical in fostering regional SMEs' policy cooperation and providing practical policy implementations to boost more SMEs' participation in trade and investment in ASEAN and East Asia. All papers presented in this report were presented in a workshop held in Bangkok.

We would like to express our appreciation and gratitude, first, and foremost, to the members of our project for their scholarly contribution to the completion of this research.

We are deeply indebted to Professor Fukunari Kimura, Chief Economist of ERIA, for his intellectual guidance, encouragement, and support for the research project. We are profoundly grateful for the strong support provided by our Executive Director, Prof. Hidetoshi Nishimura, and all esteem staffs of ERIA for their excellent efforts to ensure the successful delivery of the project.

Last, but not least, we would like to thank our colleagues, ERIA researchers, for their enthusiasm and participation in our workshops.
