ERIA Research Project Report 2013, No.20

Published November 2014

#### **DISCLAIMER**

This report was prepared by the Working Group for the “Study on Asian Potential of Biofuel Market” under the Economic Research Institute for ASEAN and East Asia (ERIA) Energy Project. Members of the working group are from Indonesia, Japan, Malaysia, the Philippines, and Thailand. They discussed and agreed to key assumptions, modelling approaches, and the outcome of the study. These assumptions and modelling approaches may differ from those normally used in each country. Therefore, the outcome here does not necessarily represent the official views of the participating countries.

The views in this publication do not necessarily reflect the views and policies of the Economic Research Institute for ASEAN and East Asia (ERIA), its Academic Advisory Council, and the Management.
