#### 4. Vision for MIEC

The vision for the corridor is “to create a strong economic base that provides employment, reduces poverty, and promotes human resources development through provision of world class infrastructure and facilitation of trade between Mekong region and India”.

#### 5. MIEC Goals

MIEC project will be conceptualized to achieve the following goals:

- Enhance economic development and trade between India and Mekong region.
- Boost Investments in the corridor with focus on attracting FDI.
- Generate employment and opportunities for social development.
- Exploit underlying comparative advantages and complementarities within the corridor.

#### 6. MIEC Objectives

In order to achieve this vision, the corridor will focus on the following objectives:

- To facilitate trade among member countries.
- To facilitate efficient movement of goods and people within the Corridor.
- To improve infrastructure in the Corridor to facilitate investments and industrial development.
- To achieve balanced regional development and distribute the benefits of future economic growth by promoting major economic zones in under-developed areas.
- To maximize private sector investments in the Corridor towards development of infrastructure and industries in form of FDI and Public and Private Partnerships.
- To maximize social development and employment opportunities.
- To strengthen the human resource potential of the MIEC region.
