

APPENDIX 2

Organizational Structure of the ASTP Project and the List of Contributors

The ASTP Project has been conducted by the ASEAN Secretariat and the ERIA Study Team including the Project Coordinator (ERIA), a Consultant Team, and Academic consultants. The ERIA Study Team has been working closely with the STOM Expert Group (EG), and four Working Groups (Land Transport, Maritime Transport, Air Transport, and Transport Facilitation) under the Senior Transport Officials Meeting (STOM). In particular, the STOM-EG has been supporting the ERIA Study Team as a single window to enable the ERIA Study Team to access to the official information from ASEAN Member States.
