

Acknowledgements

This analysis was undertaken as a joint effort by a working group under the Economic Research Institute for ASEAN and East Asia (ERIA), with members coming from the East Asia Summit (EAS) countries and from The Institute of Energy Economics, Japan (IEEJ). We would like to acknowledge the support provided by everyone involved. We especially would like to take this opportunity to express our gratitude to the members of the working group, to ERIA, and to the observers from All Nippon Airways, BP Japan, Idemitsu Kosan, Japan Petroleum Exploration, and Toyota Motor Corporation.

Special acknowledgement is also given to Mr. Jayant Sarnaik of Applied Environmental Research Foundation (AERF) of India for information on India and Dr. Shinichi Goto and Dr. Masayuki Sagisaka of Advanced Industrial Science and Technologies for their advices and collaboration.
