

Acknowledgements

This analysis was undertaken as a joint effort by a working group under the Economic Research Institute for ASEAN and East Asia (ERIA), with members coming from the East Asia Summit (EAS) countries and from The Institute of Energy Economics, Japan (IEEJ). We would like to acknowledge the support provided by everyone involved. We would especially like to express our gratitude to the members of the working group, ERIA, and to the study project team of IEEJ.

Ichiro Kutani
Leader of the Working Group
