ERIA Research Project Report 2013, No.24

Published November 2014

DISCLAIMER

This report was prepared by the Working Group for the “Study on the Development of an Energy Security Index and an Assessment of Energy Security for East Asian Countries” under the Economic Research Institute for ASEAN and East Asia (ERIA) Energy Project. Members of the working group, who represent the participating East Asia Summit (EAS) region countries, discussed and agreed to utilise certain data and methodologies to develop the energy security index. These data and methodologies may differ from those normally used in each country. Therefore, the calculated result presented here should not be viewed as official national analyses of the participating countries.

The views in this publication do not necessarily reflect the views and policies of the Economic Research Institute for ASEAN and East Asia (ERIA), its Academic Advisory Council, and the Management.
