

Acknowledgements

The Economic Research Institute for ASEAN and East Asia (ERIA) is grateful to all the working group members who participated in this ERIA research project and contributed each of the chapters of this report. We would also like to express our gratitude to the Journal of Energy Policy for agreeing to follow up the project and collaborate with ERIA in developing a special issue based on the outcome of this project.

Our appreciation also goes to Prof Worajit Setthapun from Chiang Mai Rajabhat University and Prof Wongkot Wongsapai from Chiang Mai University for their support of and valuable comments at the project meeting held in Chiang Mai.

We thank Ms Sagung Anom Setyawati and Ms Wuri Wulandari for their excellent assistance in coordinating the logistics of this project. We also thank Ms Maria Priscila del Rosario and her team for editing this report.
