

## Acknowledgements

This analysis was undertaken by a working group under the Economic Research Institute for ASEAN and East Asia (ERIA). The study was a joint effort of the Working Group members from the East Asia Summit countries and The Institute of Energy Economics, Japan (IEEJ). We would like to acknowledge the support provided by everyone involved. We would like to express our deep gratitude to the members of the Working Group, to ERIA, and to the IEEJ's study project team.
