All rights reserved. No part of this publication may be reproduced, stored in a retrieval system, or transmitted in any form by any means electronic or mechanical without prior written notice to and permission from ERIA.

The findings, interpretations, conclusions, and views expressed in their respective chapters are entirely those of the author/s and do not reflect the views and policies of the Economic Research Institute for ASEAN and East Asia, its Governing Board, Academic Advisory Council, or the institutions and governments they represent. Any error in content or citation in the respective chapters is the sole responsibility of the author/s.

This report was prepared by the Institute of Energy Economics, Japan under the Economic Research Institute for ASEAN and East Asia (ERIA) Energy Project. A workshop meeting inviting government officials from ASEAN countries was held in April 2015 in Jakarta, Indonesia, to review the initial outcome of this report. Opinions and discussions provided in this report, however, do not represent the workshop participants' official views.
