

Acknowledgements

This analysis was conducted by the working group under the Economic Research Institute for ASEAN and East Asia. It is a joint effort of working group members from the following relevant authorities in Brunei Darussalam:

- Department of Electrical Services in Ministry of Energy and Industry
- Temburong District Office in Ministry of Home Affairs
- Department of Town and Country Planning, Department of Mechanical and Electrical, and Public Works Department in Ministry of Development
- Forestry Department and Heart of Borneo in Ministry of Primary Resources and Tourism
- Brunei National Energy Research Institute

I would like to acknowledge the support provided by everyone involved.

Masafumi Tanaka

Leader of the Working Group

October 2018
