

## Acknowledgements

This analysis was jointly implemented by a working group consisting of members from Indonesia, Thailand, Malaysia, and Viet Nam, and The Institute of Energy Economics, Japan (IEEJ), under the Economic Research Institute for ASEAN and East Asia (ERIA). We acknowledge the support provided by everyone involved. We are especially grateful to the working group members and experts who participated in meetings in Bangkok, Thailand and in Jakarta, Indonesia.

Special thanks go to ERIA's Publication Department – Stefan Wesiak, Fadriani Trianingsih, and their team of editors for helping to edit the report and prepare it for publication.
