TABLES, FIGURES, & BOXES	viii
FOREWORD	xii
INTRODUCTION	xiv
PART I TOWARDS RESILIENT FOOD SYSTEMS	1
CHAPTER 1	
Food Security in the Face of Disasters and Climate Change: Adaptation Roadmap	3
Vangimalla R. Reddy, Mura Jyostna Devi, and Venkatachalam Anbumozhi	
1.1 Introduction	4
1.2 Food Security and Effects of Natural Disasters	6
1.3 Effects of Climate Change on Food Security	13
1.4 Adaptation Strategies	17
1.5 Recommendations to Improve Medium- and Long-Term Resilience	29
1.6 Summary	30

CHAPTER 2

Evaluating the Distributional Impacts of Disasters and Climate Change, and the Development of Adaptation Roadmaps: Rethinking ASEAN Strategy, Policies, and Actions	39
Mely Caballero-Anthony, Jose Ma Luis Montesclaros, and Margareth Sembiring	
2.1 Introduction	40
2.2 Overview of National Climate Change Adaptation Initiatives in Southeast Asia	41
2.3 Distributional Effects: How Climate Change and Disasters Affect Food Security	50
2.4 Gaps at the Regional and Country Levels in Addressing the Distributional Impacts of Climate Change on Food Security	54
2.5 Conclusion and Way Forward	60

CHAPTER 3

Addressing Disaster Risk, Climate Change, and Food Security Through Successful Structural and Non-Structural Measures in Country Adaptation Roadmaps	72
Meinhard Breiling	
3.1 Introduction	72
3.2 Structural Measures	77
3.3 Non-Structural Measures	82
3.4 Control Measures	87
3.5 Improvement Measures	90
3.6 Conclusion	94

CHAPTER 4

Tracking Climate Resiliency Actions in National Strategies: A Policy and Investment Framework and Application to Myanmar	104
Suresh Chandra Babu, Venkatachalam Anbumozhi, Namita Paul, and Jieun Won	
4.1 Introduction	105
4.2 Climate Change Adaptation for Improved Food Security	106
4.3 Diagnostic Review of the Agriculture Development Strategy	107
4.4 Operational Framework	113
4.5 Conclusion	118

CHAPTER 5

Financing Adaptation Roadmap	137
Tomonori Sudo	
5.1 Introduction	137
5.2 Cost of Climate Change and Disasters	139
5.3 Estimated Cost of Climate Change and Disasters	144
5.4 Finance Sources for Disaster Risk Management and Climate Change Adaptation	148
5.5 Financial Instruments for Disaster Risk Management and Climate Change Adaptation	153
5.6 Roadmap Towards Developing an Adaptation and Disaster Risk Reduction Finance Market in Southeast Asia	165
5.7 Conclusion and Recommendations	169

CHAPTER 6

Towards a Resilient Food System and Building Adaptation Roadmaps	174
Venkatachalam Anbumozhi	
6.1 Disaster and Climate Change Impacts on Food Security	174
6.2 Adaptation and Resilience Strategies	175
6.3 Opportunities to Enhance Adaptive Capacity	177
6.4 Building Adaptation Roadmaps	178

PART II | CAMBODIA, LAO PDR, MYANMAR AND VIET NAM (CLMV) ADAPTATION ROADMAPS 186

CHAPTER 7

Roadmap of Climate Change Adaptation for Cambodia	188
Paris Chuop and Meach Yaddy	
7.1 Background	188
7.2 Policy Responses to Climate Change	189
7.3 Nationally Determined Contribution	191
7.4 Adaptation Priority Actions	193
7.5 Financing Demand and Gap	195
7.6 Institutional Arrangement	196

CHAPTER 8

Climate Change Adaptation Roadmap of the Lao People's Democratic Republic	197
Sonephet Phosalath and Changseng Phongpachith	
8.1 Introduction	197
8.2 Target Projects and Activities	198
8.3 Mitigation Contribution in the Lao People's Democratic Republic	207
8.4 Implementing Measures	215

CHAPTER 9

Indicative Actions, Institutions, and Timeframe for Building a Climate Change Adaptation, Disaster Risk Reduction, and Food Security Roadmap for Myanmar	220
Nay San Lin	
9.1 Climate-Smart Agriculture, Fisheries, and Livestock for Food Security	221
9.2 Sustainable Management of Natural Resources for Healthy Ecosystems	232

9.3 Resilient and Low-Carbon Energy Transport and Industrial Systems for Sustainable Growth	241
9.4 Resilient, Inclusive, and Sustainable Cities and Towns Where People Can Live and Thrive	248
9.5 Climate Risk Management for People’s Health and Wellbeing	255
9.6 Education, Science, and Technology for a Resilient Society	264

CHAPTER 10

Disaster Resilience and Climate Change Adaptation in Viet Nam	272
Nguyen Tuan Anh and Lai Van Manh	
10.1 Background	272
10.2 Overview of Viet Nam’s Current Policy System on Climate Change and Disaster	273
10.3 Organisational System and Relevant Stakeholders	277
10.4 Disaster Resilience and Climate Change Adaptation Roadmap in Viet Nam	278

PART III	GUIDELINES FOR POLICY AND DECISION MAKERS AND OTHER KEY PLAYERS ON ADAPTATION ROADMAPS	286
-----------------	---	-----

Guidelines for Policy and Decision Makers and Other Key Players on Adaptation Roadmaps	288
Venkatachalam Anbumozhi, Meinhard Breiling, Tomonori Sudo, and Dian Lutfiana	
I Introduction	289
II Guidelines Relating to the Principles Underpinning Adaptation Roadmaps	295
III Indicative Actions for Developing Adaptation Roadmaps	301
