BOOKS EDITED

Managing the Transition to Low-Carbon Green Growth (2014). Asian Development Bank Institute, Tokyo (in Print)

Eco-Industrial Clusters in Asia: A Proto-type Training Manual (2013), Asian Development Bank Institute, Tokyo . ISBN 978-4-89974-039-1

Low-Carbon Green Growth in Asia: Policies & Practices (2013), Asian Development Bank – Asian Development Bank Institute, Tokyo ISBN 978-4-88974-037-3

Millennium Development Goals and Community Initiatives in the Asia Pacific (2013). Springer, New York ISBN 978-81-322-0759-7

Climate Change in Asia and the Pacific: How Countries Can Adapt (2012), Sage Publications International, New Delhi ISBN 978-81-321-0894-8

Reuniting Climate Change and Sustainable and Sustainable Development (2008). *Institute for Global Environmental Strategies*, Japan ISBN 978-4-88788-048-1

Frontiers of International Cooperation (2004), University of Tokyo Press, Tokyo pp. 278 ISBN 4-13-0321113-7

Sustainable Asia 2005 and beyond: (2005), *Institute for Global Environmental Strategies*, Japan, ISBN 4-88788-017-0 C3036

Paddy Fields in the World (1995), The Japanese Society of Irrigation, Drainage and Reclamation Engineering, Tokyo, Japan. ISBN 4-88980-077-8 C 3061

POLICY REPORTS EDITED

Disaster Risk Management in Asia and the Pacific (2013). Asian Development Bank Institute, Tokyo

Corporate Environmental Management: Policy Initiatives and Business Responses (2009), *IGES Kansai Research Centre*, Japan

Eco-Industrial Clusters as Inclusive Business Development Model (2009), *IGES Kansai Research Centre*, Kobe, Japan

Eco-industrial clusters in Urban Rural Fringe Areas (2007), *Institute for Global Environmental Strategies*

Environmental Business for Regenerating Local Society (2006), *IGES Kansai Centre*, Japan

Science into Policy: Development in Environmental Realm (2004), Proceedings of the International Symposium, University of Tokyo.

The Study on The Rehabilitation of Minor Irrigation Tanks For Rural Development in Tamilnadu, India (1997), (AFA, CR[1],98-10), *Japan International Cooperation Agency*, Tokyo, Japan.

The Study on Construction of Bridge over River Rupsa in Khulna (Phase I), Bangladesh (1999), (SSF, JR, 99-034), *Japan International Cooperation Agency*, Tokyo, Japan.

PRESENTATIONS IN INTERNATIONAL CONFERENCES/WORKSHOPS

Anbumozhi V (2014). Low-Carbon Energy Systems and Sustainable Development, G20 Global Leadership Program, KDI School, Ministry of Strategy and Finance, Seoul, 1-8 July.
