

List of Abbreviations

AJEEP	ASEAN–Japan Energy Efficiency Partnership
ASEAN	Association of Southeast Asian Nations
ASHRAE	American Society of Heating, Refrigerating and Air-conditioning Engineers
BEI	building energy intensity
CPD	continuous professional development
DoET&EBP	Department of Energy Technique and Energy Business Policy
EDC	Electricite Du Cambodge
EEC	energy efficiency and conservation
EEl	energy efficiency indicator
EEM	energy efficient management
ECCJ	Energy Efficiency Center of Japan
EMAK	Energy Management Action Network
EPC	energy performance contract/contracting
ESCO	energy service company
GDE	General Department of Energy
GDP	gross domestic product
GHG	greenhouse gas
IEA	International Energy Agency
IEC	International Electrotechnical Commission
IECEE CB	IECEE CB Scheme (IEC System of Conformity Assessment Schemes for Electrotechnical Equipment and Components) Certification Body Scheme
IRR	internal rate of return
ISC	The Institute of Standards of Cambodia
kWh	kilowatt-hour
kW/RT	kilowatt per refrigeration ton
LED	light-emitting diodes
MEPS	minimum energy performance standard
mil MJ/y	million megajoules per year
MME	Ministry of Mines and Energy, Cambodia
MRA	mutual recognition agreement
SWO	Standard-writing Organisation
S&L	standard and labelling
TFC	total final consumption
TFEC	total final energy consumption
UNIDO	United Nations Industrial Development Organization
