

List of Figures

Figure 1	Flow diagram of the participant selection process (long-term care health facilities)	9
Figure 2	Flow diagram of the participant selection process (long-term care welfare facilities)	26
Figure 3	Flow diagram of the participant selection process (day services)	33
Figure 4	Flow diagram of the participant selection process (day care rehabilitation)	40

List of Tables

Table 1	Items and requirements for additional payments in long-term care health facilities	8
Table 2	Participants' characteristics and additional payments for individuals' special care by outcome status in long-term care health facilities	13
Table 3	Additional payments for facility initiatives and baseline characteristics of long-term care health facilities (n=3,724)	15
Table 4	Multivariable competing-risk Cox proportional hazards regression analysis for care-need level deterioration in long-term care health facilities	16
Table 5	Items and requirements for additional payments in long-term care welfare facilities	19
Table 6	Participants' characteristics and additional payments for individuals' special care by outcome status in long-term care welfare facilities	23
Table 7	Additional payments for facility initiatives and baseline characteristics of long-term care welfare facilities (n=6,638)	24
Table 8	Multivariable competing-risk Cox proportional hazards regression analysis for care-need level deterioration in long-term care welfare facilities	25
Table 9	Items and requirements for additional payments for day services	30
Table 10	Participants' characteristics and additional payments by outcome status for day services	31
Table 11	Multivariable competing-risk Cox proportional hazards regression analysis for care-need level deterioration in day services	32
Table 12	Items and requirements for additional payments in day care rehabilitation	37
Table 13	Participants' characteristics and additional payments by outcome status for day care rehabilitation	38
Table 14	Multivariable competing-risk Cox proportional hazards regression analysis for care-need level deterioration in day care rehabilitation	39
Table 15	Additional payment items in the LTCI fee schedule that are negatively associated with deterioration in the care-need level	43
