

FOREWORD

The Economic Research Institute for ASEAN and East Asia (ERIA) is an International Organisation which pursues economic research and makes policy recommendations relevant to the East Asia Summit member countries.

The Australian Government was one of the earliest donors among the member countries which pledged financial contribution to ERIA to conduct its research in such manner that the findings are of value to the member countries.

ERIA would like to take this opportunity to thank the Australian Government and AusAID, without whose generous contribution this research would not have been possible. ERIA also looks forward to continued association with AusAID in the future and hopes that the member countries find this research useful.
