List of Project Members

Working Group Members

Mr Chheang Bunthy Deputy Director, Generation, Transmission and Sub-Transmission Department, Electricity Authority of Cambodia (EAC), Cambodia

Mr Sok Chandareth, Chief of Energy Statistic Office, Ministry of Mines and Energy, Cambodia
Mr Han Vanra, Deputy Chief of Independent Power Producers Operation Office, Electricity De Cambodia (EDC), Cambodia

Ms Elis Heviati, Deputy Director for Investment and Cooperation of Bioenergy, Directorate of Bioenergy, Directorate General of New, Renewable Energy and Energy Conservation, Ministry of Energy and Mineral Resources, Indonesia

Mr Jensen M. Alvarez, Senior Science Research Specialist, Biomass Energy Management Division, Renewable Energy Management Bureau, Department of Energy, Philippines

Mr Litz M. Manuel-Santana, Vice President and Head, External Affairs, MERALCO PowerGen Corporation, Philippines

Mr Chawit Chongwilaiwan, Head, Hydro Power Project Feasibility Study Section, Hydro Power Plant Planning and Feasibility Study Department, Power Plant Development Planning Division, Electricity Generating Authority of Thailand (EGAT), Thailand

Dr Yaowateera Achawangkul, Mechanical Engineer, Senior Professional Level, Department of Alternative Energy Development and Efficiency, Ministry of Energy, Thailand

ERIA Project Organiser

Dr Han Phoumin, Energy Economist, Energy Unit, Research Department, Economic Research Institute for ASEAN and East Asia (ERIA)

JCOAL Study Team

Dr Murakami Kazuyuki, Principal Deputy Director, International Collaborations Department

Mr Otaka Yasuo, Deputy Director, Resources Development Department

Mr Uehara Masafumi, Assistant Secretary General

Ms Yamada Fumiko, Assistant Director, International Collaborations Department

Mr Ozawa Masahiro, Chief Engineer, International Collaborations Department
