Creating a submission

After logging in to your account, you will be redirected to the 'Author Console' page where you can manage all your paper submissions.

The screenshot shows the 'Author Console' interface. At the top is a teal navigation bar with 'Submissions' on the left and 'Help Center', 'Select Your Role : Author', 'T20ID2022', and a user profile icon on the right. Below the navigation bar, the title 'Author Console' is displayed. A red circle highlights the '+ Create new submission' button in the top left of the main content area. A red arrow points from this button to a larger, isolated version of the same button shown below the screenshot. The main content area also features a table with columns 'Paper ID', 'Title', 'Files', and 'Actions'. Above the table is a filter bar with a search input (containing 'e.g. <3'), a 'filter...' dropdown, and a 'Clear' link. To the right of the table is a pagination and filtering section showing '0 - 0 of 0', navigation links, a 'Show:' dropdown set to '25', and buttons for '50', '100', 'All', and 'Clear All Filters'.
