

Annex C

Research Institutes Network

The Research Institutes Network consists of research institutes from 16 East Asia Summit countries. ERIA requests the Research Institutes Network to:

- Support ERIA's research activities by providing country information and research findings from individual countries and

giving advice on research themes and policy recommendations.

- Encourage the dissemination of ERIA's research outcomes to policymakers and political leaders who implement policies as well as to opinion leaders in member countries.
- Support ERIA's capacity building programme.
